Case No: 4:17-cv-03434 JSW

**DECLARATION OF ANNE KATTEN IN
SUPPORT OF PLAINTIFFS' MOTION
FOR ATTORNEYS' FEES AND COSTS**

1 I, Anne Katten hereby declare as follows:

2 1. I am the Pesticide and Work Safety Project Director at California Rural Legal
3 Assistance Foundation, Inc., one of the plaintiff organizations that brought the above-captioned case.
4 I submit this declaration in support of Plaintiffs' Motion for Attorneys' Fees and Costs, submitted
5 herewith. I have personal knowledge of the matters stated herein and, if called as a witness, could
6 and would competently testify thereto.

7 2. When this lawsuit was filed in June 2017, and as of the date of this declaration,
8 California Rural Legal Assistance Foundation, Inc. was a 28 U.S.C. § 501(c)(3) tax-exempt
9 organization with approximately 25 employees. The same was true when our Ninth Circuit petitions
10 challenging the rule delays were filed in May and July 2017.

11 3. California Rural Legal Assistance Foundation, Inc. retained Earthjustice to represent
12 it in this litigation, because Earthjustice attorneys have demonstrated skill and distinctive knowledge
13 in the area of environmental and administrative law.

14 4. I am familiar with Earthjustice and its attorneys and know that they have a reputation
15 for providing excellent representation in complex environmental and administrative law cases. I am
16 not aware of any similarly qualified attorneys who would have agreed to undertake this case at the
17 EAJA statutory rate of \$196.79, which is far below prevailing market rates for legal services in
18 California.

19 I declare under penalty of perjury that the foregoing is true and correct to the best of my
20 personal knowledge.
